Friday, April 29
Sunday, May 1
Monday, May 2
10am to 4pm

Dear Friends,

Much has happened in the last month and even more will be happening this month of May.

We apologize if things seemed to slow up in our office from calls and emails to the bulletin. April was a difficult month because our wonderful administrator, Edith Goody, was ill and out of the office. While she is thankfully on the mend, much love and appreciation go to our amazing volunteer, **Marcia Null**, and expert manager (retired, hopefully again soon), **Cathy Reibstein**, whose time and effort have helped ease the situation.

Many of us had our time in April consumed with preparing and/or celebrating Passover with family and friends. And now, moving into May, we prepare for even more activity.

The **Bazaar/Tag Sale** is on **April 29, May 1 and 2**. (Your help to break down and clean up afterwards will be graciously appreciated by the Committee.) As always, we have fascinating educational opportunities, as well as a unique **book group discussion** scheduled. Our **Congregational Meeting** will be on **May 17**, where you will hear a review of the past year and our plans for the future.

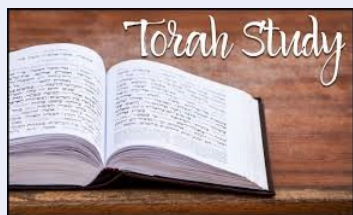

Lastly, we will be having our largest annual fundraiser and recognition **Luncheon**, honoring **3 very special TI members**, **Scott Schleifstein**, **Judy Snow**, and **Jonathan Wagner**.

Looking forward to seeing you this month,

Sincerely,

Terry Birnbaum-Horton

May Book Discussion—May 10th, 7:30pm on Zoom

MAUS

On **Tuesday, May 10 at 7:30pm**, the Temple Isaiah Book Group will discuss the Pulitzer Prize winning graphic novel *MAUS* by Art Spiegelman. We will be discussing the book as a work of literature, as well as the history of book banning in this country.

Recently, a Tennessee school barred students from reading *MAUS*, which had previously been included in its 8th grade curriculum on the Holocaust. According to the American Library Association, the pace of book banning has accelerated rapidly recently. During the course of our discussion, we will consider the reasons given by the school for the ban of *MAUS* and the larger historical context of book bans in this country, particularly in schools.

The discussion will also include a consideration of the special issues raised by the increasingly popular formats of graphic novels and animation in portraying the hardship of real world events.

Come join us for a lively discussion. All are Welcome. Zoom information will be provided the day prior to the event.
